

CAPABILITY STATEMENT

BCI, Inc. is a well established, vertically integrated company providing **Disaster Relief & Re-Construction** work for public authorities and private clients, complete **Site Construction & Development** services, **Landscape Construction & Maintenance**, **Snow & Ice Management**, and **Truck & Equipment Rentals** with Operators. We provide quality workmanship with expert advice and guidance in project decisions to help our clients enhance the value of their projects.

Special Expertise

Our past experience in winter storm, hurricane and other **Disaster Relief & Re-Construction** work for public authorities and private clients, combined with our experience in complete site construction, gives us a distinctive edge. We understand the challenges involved with storm weather, massive crew and trucking coordination, material management and debris disposal, as well as environmental concerns and administrative burdens.

We manage and perform emergency relief and re-construction work for the immediate and long term infrastructure necessities, have the ability to deploy numerous Debris Removal, Demolition & Hazardous Material Crews on a short notice, and operate multiple Temporary Debris Storage and Reduction Sites (TDSRS). Our Mechanical Division responds to any field repair needs to ensure continuous operations and we utilize our existing vendor network and reliable partnerships for material supplies.

Clientele

Our commercial and industrial clientele include State, federal and municipal authorities, general contractors and developers, property managers and housing complexes, as well as healthcare and educational providers.

Experience

We specialize in new site and road construction as well as site renovations and subdivision development. Over the 40 years of doing business we have developed our procedures to successfully maintain quality and cost controls, to ensure timely production and to prioritize safety. We deliver the peace of mind in knowing that the work has been done right, within the budget, and on time - every time. *See also attached Project History*

Equipment

BCI owns and operates an extensive inventory of commercial vehicles and heavy equipment including debris reduction machinery. Our fully staffed Mechanical Division inspects, repair and maintain the fleet daily in full compliance with DMV and DOT regulations. In addition, company's roadside service vehicles stand ready to assist in unexpected repair needs in the field. BCI is also a power equipment dealer and has access to a variety of small power equipment. BCI, Inc. and its network of subcontractors have the capacity to deploy:
