Dear Bob:

We'd like to thank you for your generous contribution in assisting the Hamden family as part of our Open Shop Salute community service program. The program continues to be a success thanks to companies like yours willing to help be it labor, supplies or a monetary donation. As you know, the Hamden project was a rather large job involving the replacement of a roof and extensive landscaping. Please note the following photo that appeared in the New Haven Register that was taken during the completion of this project:

I've also included a few photos taken during the work:

The family contacted CT ABC immediately after the work was completed and said, "I just want to thank you and Vince for all you guys have done for our family :) words can't express how thankful we are. Thank you. We truly appreciate you guys!"

Again, CT ABC would like to thank you for your generosity for participating in this worthy cause.

Sincerely,

President
